

Meeting: Saturday Dec 17th

Internship Applicant - Wuletaw Wonte

Please put your name both here and on the proper document title

Wuletaw Wonte

Solution Ruby challenge:

```
def letter_avatar(user)
  colors = ['red', 'blue', 'yellow', 'green', 'pink', 'ambar', 'black']
  first_initial = ''
  last_initial = ''

  if (user[:first_names].nil? && user[:last_name].nil?) ||
    (user[:first_names].empty? && user[:last_name].empty?)
    first_initial = 'A'
    last_initial = 'V'
  elsif !user[:first_names].nil? && !user[:last_name].nil?
    first_initial = user[:first_names].chr.upcase
    last_initial = user[:last_name].chr.upcase
  else
    first_initial = user[:first_names].chr.upcase if
!user[:first_names].nil?
    last_initial = user[:last_name].chr.upcase if !user[:last_name].nil?
  end

  avatar = {
    initials: first_initial + last_initial,
    color: colors.sample
  }

  return avatar
end
```

Solution JS/CSS/Tailwind challenge:

```
<div class="flex justify-center inline-flex overflow-hidden relative  
justify-center items-center bg-blue-600 rounded-full bg-clip-content  
box-content w-10 h-10 border-2 p-1 border-blue-600">  
  <span class="font-medium text-white">AO</span>  
</div>
```

Solution React challenge:
